## CONTENT

Target Groups / Contact

### Target groups

Svensk Verkstad web and newsletter have a large readership focusing on manufacturing companies (OEM) and subcontractors as well as industry-based buyers. Those are the companies that invest the most in machinery, tools and products as well as manufacturing.

You reach companies within; Aerospace, Automotive, Electronics, Energy, Defense, Industrial Machinery, Consumer Goods, Marine, Process, Forest & Paper, Transport, Heavy Vehicle, Workshop, Home Appliances.

### The best of two worlds

Svensk Verkstad combines the best of two worlds - the fast and direct communicative digital newsletter and news web with today's news and product news, as well as the printed magazine with deep reports, interviews and industry fairs.

In 2020 we will be focusing on the digital channels with several upgrades for Native Advertising - Digital Svensk Verkstad Magazine - Play - JobForum - Social Media. Svensk Verkstad is a complete media channel that complies with the opportunities that suit all readers and advertisers, digital as well as print.
